The driver is willing to arrive at 9am and move the bin but someone must be there to open the gate. Can you confirm and provide a contact number, pls?

Hi Sarah,

I hope this email finds you well. I just received a call that the trash bin was delivered to the park, however the bin is now blocking the entrance to the garden and folks are unable to get in to take the trash out. I will swing by early tomorrow morning to take a picture.

Would it be possible to have someone go out tomorrow and move the bin?
